Time spent on eLearning today: \_\_\_\_\_

Parent Signature: \_\_\_\_\_

Read the phrases in each group. Decide what comes first, second, and third. Number them 1, 2, and 3 to make a sentence.

**Example:**

- 2 Jason was
- 3 standing there
- 1 Mary's little brother

A.

- \_\_\_ that cows have
- \_\_\_ four stomachs
- \_\_\_ did you know

B.

- \_\_\_ brothers leaving

## Drawing Conclusions

Read each poem, group of sentences or paragraph. Decide what each is about and underline the best answer.

1. Most dogs don't like these; they shake and they drip.  
And some little boys wish that theirs they could skip.  
But the kind that has bubbles is not bad, it's said.  
Too bad when it's over- most kids go to bed!

A. an injection                      B. haircut  
C. bath                                  D. vitamins

2. I have had three so far.  
I listen to them every day.  
My parents always go to see mine.  
It's hard to leave them at the end of the year.

A. teachers                      B. video games                      C. telephones                      D. bedrooms

3. Darcy has one of these each morning. She lives in Florida and they grow on a tree in her yard. Most of the time they're sweet. The one she had today is very sour. Poor Darcy is still "puckered." Tomorrow she's going to play it safe and eat an orange.

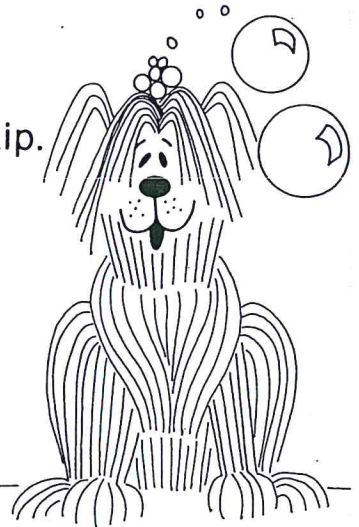

A. grapefruit                      B. tomato                      C. raisin                      D. egg

4. The pupils were real nervous about it at first. No one would touch it. Everyone was a bit afraid of it, too. It did seem confusing. Now after two months, things are different. The boys and girls love it. They can practice math and reading with this. They have also learned to play some exciting games on it. The pupils are using:

A. the chalkboard                      B. reading books  
C. a dictionary                      D. a computer

5. The real kind was once an animal that lived under the ocean. If you buy one at the store, it will probably be made of rubber. It can be almost any color. It is a good thing to use when you wash something very large, like a car or a floor. A small one can be nice in your bathtub. There are some that are animal shapes. They can help a little boy or girl enjoy a bath.

A. sea horse    B. coral    C. sponge    D. sea shell
